ACKNOWLEDGEMENT OF HOMEOPATHIC SERVICES

CLIENT NAME: _____
(Please print)

The homeopathic services you have requested are directed at strengthening your constitution and vitality. They are not directed at identifying, treating or preventing specific diseases. Beheshteh Zargaran is a homeopathic practitioner but is not a licensed physician. Current laws prohibit homeopathic practitioners from diagnosing or treating disease. If you have a medical complaint or question about your health, it is important that you consult with a physician.

CLIENT ACKNOWLEDGEMENT:

It is my personal preference to use the homeopathic services of Balsam Homeopathic Care. I understand that homeopathic services are NOT MEDICAL treatments and that Beheshteh Zargaran is not a licensed physician.
